

MOTT HALL CHARTER SCHOOL

As a local educational agency (LEA) in New York State, we are required by Education Law changes in the 2022-23 enacted State budget, to post on our website and to submit to the State Education Department - *on or before July 1, 2022* – an updated plan on how our LEA will expend the American Rescue Plan (ARP) – Elementary & Secondary School Emergency Relief (ESSER) funding that we have received, and how our LEA will prioritize spending on non-recurring expenses.

Our LEA seeks public comment from our parents, teachers and other stakeholders by June 28, 2022 on how our LEA has prioritized spending on non-recurring expenses. Please forward comments to the following email address: mainoffice@motthallcs.org. To review our planned spending, please download our **ARP-ESSER Application** and our **ARP-ESSER Budget Narrative**.
